

SUBJ: Larry Russell joins the team!

FROM: Ryan Moore

MEMO:

It is my pleasure to announce that Larry Russell has joined the team at Builders International serving as Director of Development.

Larry joins us following more than 30-years as a Stewardship Consultant, Commercial Banker, University Development Director, Senior Pastor and Church CFO/Executive Pastor.

With so much negativity in the world, hopelessness seems to be everywhere. Builders International is a non-profit construction ministry serving generous churches and individuals (locally and globally) as we build the Kingdom of God. Together, **We Build Hope** in the face of hopelessness!

Larry stands ready to serve in assisting churches and nonprofit organizations in accelerating a culture of generosity and to partner with you in assuring that your donated funds are directed toward work for the Kingdom! Whether looking for charitable giving opportunities with a return on investment of changed lives globally, or embarking on a church growth journey at home, I believe Larry will be a blessing to you.

Larry would love to hear from you! I encourage you to email him at larry@buildersintl.org, call or text him at 417-773-3503.

Sincerely,
